Of course they
had an infancy and
a childhood too.
This is a story
about them when
they were little!

Everyone,
did you know
about the
childhood of
outstanding
ship girls?

I understand...

Admir-
Principal, please
don't slack off.
Hurry up and finish
the emails for the
game meeting.

Inazuma tried really hard to draw this.

Everyone is drawing so well.

Minutes later

Let's have a look...

Yes.
It looks like

newest Fleet
Carriers.

It seems
that there
are some
new teachers
coming in
next time?

Is there a rule
that carriers have
to be caretakers?

Is there a law?

Is that it?!

Does that sound
right? It's totally
weird, right?

Why does the
fifth division
have to come
to our
kindergarten?!

初次見面以及您好。我是社團こるり屋的こるり。
這是第一次的藍圖本。

其實我是即使看著周圍的人被陸續到鎮守府赴任
也還是在7月的新登場者的閱兵儀式放送1星期
才開始玩的超級新人。提督是也…！

因為有絕對會賺金的自信，所以對網路遊戲很自豪
註冊後從進入到解放船場不到10分鐘(ノ∀')
正在鎮守府偷偷地玩…！

然後不小心正好是COMI的新書發行跟突發也正到高潮
但我還得很開心～

一方面受到周圍的提督前輩跟喜歡真正的戰艦的人各種指導
另一方面我也自己逛逛wiki六甲路小隊進入DM點數玩得很開心

就是這樣，暫時要繼續出擊了。
下次在他處再見吧～＼(ω')／
